POLYCAB

INNOVATIVE LIGHTING FOR BRIGHTER LIVING

Lighting Catalogue FY 2024-2025

ABOUT POLYCAB

Polycab India Limited (PIL) is India's largest manufacturer of Wires and Cables and one of the fastest growing FMEG companies with a consolidated turnover of **₹ 180+ Bn in FY24**. PIL is at the forefront of providing innovative, safe and energy efficient products to a diverse set of customers via a strong distribution network of **3,800+** authorized dealers and **205,000+** retail outlets. PIL's business operations span across India through **28** manufacturing facilities, **13 offices and 29 warehouses**. PIL has also served customers in **79** countries globally. PIL's **4,800+ employees** are dedicated to upholding robust governance practices, preserving a customer centric culture, having a purpose to serve the communities, and imbibing a genuine sense of ecological consciousness. For further information, please visit **www.polycab.com**.

INR 180+ Bn turnover	13 offices across India	205,000+ retail outlets	3,800+ dealers

WHY POLYCAB LIGHTING ?

INNOVATING QUALITY, DELIVERING EXCELLENCE!

- **PRODUCT QUALITY:**
  a. In-house product testing via two fully equipped NABL approved electronics R&D laboratories
  b. Highly experienced R&D personnel with expertise in lighting electronics for local, US/European and military grade specifications
  c. Kaizen & TQM methodologies implemented for production processes enhancement

- **INNOVATION FOCUS:**
  a. Robust R&D initiatives to drive product innovation
  b. Development of electronically advanced LED Lights with high end technology
  c. Emphasis on designing decorative LED Lights with superior aesthetic appeal

- **MANUFACTURING & AVAILABILITY:**

  a. Investment in in-house manufacturing with respect to capacity, automation, and backward integration of manufacturing processes like plastic moulding, pressure die-casting & automatic powder coating

  b. Fully automatic, multiple state-of-art SMT manufacturing lines with automatic optical inspection and luminaire assembly lines

  c. In-house luminaire design capability with latest testing equipment like photo goniometer and many more

- **CUSTOMER SERVICE:**

  a. Unwavering commitment to delivering superior customer service through our large footprint of 450+ service centres and quick resolution

CONTENTS

LED PANELS & DOWNLIGHTS

Designed with finesse and care, explore our beautiful range of LED Panels and Downlights that add charm to your abode. With a distinct blend of unmatched functionality - the perfect beam angle, thin silhouette, and optimum brightness along with resplendent designs, these LED lights will help you manifest your dream home.

SCINTILLATE PC BACKLIT PANEL

5W/8W/12W/15W/20W
COOL WHITE/NEUTRAL WHITE/WARM WHITE

Infuse a dash of style in any setting! Available in round and square shapes, the Scintillate Backlit Panel is modern, and exceptionally beautiful!

FEATURES :
- Recess mounting backlit LED panel
- Polycarbonate housing & diffuser
